

**A Preliminary Bibliography of the Mountains of  
Western Maine**

by

Philip Marshall, Ph.D., Yale University School of Forestry

The Mountain Conservancy of Northern New England  
Phillips, ME

2015

## **General Sources – Journals**

*Appalachia*. Boston: Appalachian Mountain Club. 1876- .

*Bulletin of the Josselyn Botanical Society of Maine*. Portland, ME/Orono, ME/Augusta, ME: Josselyn Botanical Society of Maine. 1907-present. [Most recent: Volume 12, 1995?]

*Bulletin of the Torrey Botanical Club*. New York/Lawrence, KS: Torrey Botanical Club. 1870-1996. [Continued 1997- as *Journal of the Torrey Botanical Society* ]

*Journal of the Torrey Botanical Society*. Lawrence, KS: Torrey Botanical Society. 1997-

*Maine Naturalist: Journal of the Knox Academy of Arts & Sciences*. Thomaston, ME: The Academy. 1921-1930.

*Maine Naturalist*. Steuben, ME: Eagle Hill Wildlife Research Station. 1993-1995. [Continued as *Northeastern Naturalist*.]

*Northeastern Naturalist*. Steuben, ME: Eagle Hill Wildlife Research Station. 1997- .

*Proceedings of the Portland Society of Natural History*. Portland, ME: Portland Society of Natural History. 1862-1947.

*Rhodora: Journal of the New England Botanical Club*. Boston: New England Botanical Club. 1899- .

## **General Sources – Institutional Reports and White Papers**

Heinreich, B. 1988. Winter foraging at carcasses by three sympatric corvids, with emphasis on recruitment by the raven, *Corvus corax*. *Behavioral Ecology & Sociobiology* 23: 141-156.

Wilson, W. H. 2009. Variability of arrival dates of Maine migratory breeding birds: Implications for detecting climate change. *Northeastern Naturalist* 16(3): 443-454.

Wilson, W. H. 2012. Spring arrivals of Maine migratory breeding birds: Response to an extraordinarily warm spring. *Northeastern Naturalist* 19(4): 691-697.

Powell, L. L., Hodgman, T. P., Glanz, W. E., Osenton, J. D., and Ellis, D. M. 2010. A loose colony of Rusty Blackbirds nesting in northern Maine. *Northeastern Naturalist* 17(4): 639-646.

## **Biodiversity – Fish**

Cooper, G. P. 1940. *A Biological Survey of the Rangeley Lakes with Special Reference to the Trout and Salmon*. Augusta, ME: Maine Department of Inland Fisheries.

Everhart, W. H., and C. A. Waters. 1965. Life history of the blueback trout (Arctic char, *Salvelinus alpinus* (Linnaeus)) in Maine. *Transactions of the American Fisheries Society* 94(4): 393-397.

Legault, C. M. 2005. Population viability analysis of Atlantic salmon in Maine, USA. *Transactions of the American Fisheries Society* 134(3): 549-562.

Saunders, R., M. A. Hachey, and C. W. Fay. 2006. Maine's diadromous fish community: past, present, and implications for Atlantic salmon recovery. *Fisheries* 31(11): 537-547.

Schilling, E. G. 2008. Effects of fish introductions on the geographic distribution and native invertebrate biodiversity of naturally fishless lakes in Maine. PhD Dissertation, University of Maine.

### **Biodiversity – Insects**

Blickle, R. L., and W. J. Morse. 1966. The caddisflies (Trichoptera) of Maine excepting the family Hydropsychidae. *Maine Agricultural and Forest Experiment Station Technical Bulletin* 24. Orono, ME: University of Maine.

Burian, S. K., K. Blackburn, and L. Juentes-Molack. 1995. An update on the occurrence of three species of mayflies (Ephemeroptera) in Maine. *Maine Naturalist* 3(1): 49-54.

Crawford, H. S. and D. T. Jennings. Predation by birds on spruce budworm *Choristoneura fumiferana*: Functional, numerical, and total response. *Ecology* 70 (1): 152-163.

Dospassos, C. F., and L. P. Grey. 1934. A list of the butterflies of Maine with notes concerning some of them (Lepid.: Rhopalocera). *The Canadian Entomologist* 66(8): 188-192.

Harvey, F. L. 1902. A catalogue and bibliography of the Odonata (dragon-flies) of Maine: with an annotated lists of their collectors. *University of Maine Studies* 4. Orono, ME: University of Maine.

Malcolm, S. E. 1971. The water beetles of Maine, including the families Gyrinidae, Halophilidae, Dytiscidae, Noteridae, Hydrophilidae. *Maine Agricultural and Forest Experiment Station Technical Bulletin* 48. Orono, ME: University of Maine.

Osborn, H. 1916. Studies of life-histories of froghoppers of Maine. *Maine Agricultural Experiment Station Bulletin* 245, pp. 265-288.

Vogt, F. D., and B. Heinrich. 1983. Thoracic temperature variations in the onset of flight in dragonflies (Odonata: Anisoptera). *Physiological Zoology* 56(2): 236-241.

## **Biodiversity –Mammals**

Arthur, S. M., and W. B. Krohn. 1988. An annotated bibliography of predator research in Maine, 1974-1988. *Maine Agricultural Experiment Station Technical Bulletin* 132. Orono, ME: University of Maine.

Coulter, M. W. 1960. The status and distribution of fisher in Maine. *Journal of Mammalogy* 41(1): 1-9.

Danks, Z. D., and W. F. Porter. 2010. Temporal, spatial, and landscape habitat characteristics of moose-vehicle collisions in western Maine. *Journal of Wildlife Management* 74(6): 1229-1241.

Docktor, C. M., R. T. Bowyer, and A. G. Clark. 1987. Number of corpora lutea as related to age and distribution of river otters in Maine. *Journal of Mammalogy* 68(1): 182-185.

Harrison, D. J., and J. A. Harrison. 1984. Foods of adult Maine coyotes and their known-age pups. *Journal of Wildlife Management* 48(3): 922-926.

Homyack, J. A., D. J. Harrison, J. A. Litvaitis, and W. B. Krohn. 2006. Quantifying densities of snowshoe hares in Maine using pellet plots. *Wildlife Society Bulletin* 34(1): 74-80.

Krohn, W. B., K. D. Elowe, and R. B. Boone. 1995. Relations among fishers, snow, and martens: Development and evaluation of two hypotheses. *Forestry Chronicle* 71(1): 97-105.

Litvaitis, J. A., A. G. Clark, and J. H. Hunt. 1986. Prey selection and fat deposits of bobcats (*Felis rufus*) during autumn and winter in Maine. *Journal of Mammalogy* 67(2): 389-392.

Major, J. T. 1983. Ecology and interspecific relationships of coyotes, bobcats, and red foxes in western Maine. PhD Dissertation, University of Maine.

Owen, R. B., Longcore, J. R., and Norton, S. A. 2014. Characteristics of two mineral springs in northern Maine. *Northeastern Naturalist* 21(1): 146-153. [On salt licks and deer.]

Richens, V. B., and R. D. Hugie. 1974. Distribution, taxonomic status, and characteristics of coyotes in Maine. *Journal of Wildlife Management* 38(3): 447-454.

Shea, M. E., N. L. Rollins, R. T. Bowyer, and A. G. Clark. 1985. Corpora lutea number as related to fisher age and distribution in Maine. *Journal of Wildlife Management* 49(1): 37-40.

## **Biodiversity – Plants**

Anderson, D., and R. David. 1998. The flora and plant communities of Maine peatlands. *Maine Agricultural and Forest Experiment Station Technical Bulletin* 170. Orono, ME: University of Maine.

Barton, A. M., L. B. Brewster, A. N. Cox, and N. K. Prentiss. 2004. Non-indigenous woody invasive plants in a rural New England town. *Biological Invasions* 6: 205-211.

Campbell, C. S., and L. M. Eastman. 1980. Flora of Oxford County, Maine. *Maine Life Sciences and Agricultural Experiment Station Technical Bulletin* 99. Orono, ME: University of Maine.

Campbell, C. S., and T. A. Dickinson. 1990. Apomixis, patterns of morphological variation, and species concepts in subfam. Maloideae (Rosaceae). *Systematic Botany* 15(1): 124-135.

Dibble, A. C., C. S. Campbell, H. R. Tyler Jr., and B. St. J. Vickery. 1989. Maine's official list of threatened and endangered plants. *Rhodora* 91: 244-269.

Doyle, K. M., T. J. Fahey, and R. D. Paratley. 1987. Subalpine heathlands of the Mahoosuc Range, Maine. *Bulletin of the Torrey Botanical Club* 114(4): 429-436.

Fahey, T. J. 1976. The vegetation of a heath bald in Maine. *Bulletin of the Torrey Botanical Club* 103(1): 23-29.

Hyland, F., and F. H. Steinmetz. 1944. *The Woody Plants of Maine*. Orono, ME: University of Maine.

Hyland, F., and B. Hoisington. 1981. *The Woody Plants of Sphagnous Bogs of Northern New England and Adjacent Canada*. Orono, ME: University of Maine.

Josselyn Botanical Society, 1995. Checklist of the vascular plants of Maine, 3rd revision. *Josselyn Botanical Society Bulletin* 13. Orono, ME: University of Maine.

Knowlton, C. H. 1903. Flora of Mt. Saddleback, Franklin County, Maine. *Rhodora* 5: 35-38.

Knowlton, C. H. 1914. Ferns and their allies in southern Franklin County, Maine. *American Fern Journal* 4(2): 57-64.

Maine Geological Survey. 1985. Maine freshwater wetland inventory. Augusta, ME: Maine Geological Survey.

May, D. E, and R . B. Davis. 1978. Alpine tundra vegetation on Maine mountains and its relevance to the Critical Areas Program. Critical Areas Program Planning Report 36. August, ME: Maine State Planning Office.

McMahon, G. J. Jacobson Jr., and F. Hyland. 1990. An atlas of the native woody plants of Maine: A revision of the Hyland maps. *Maine Agricultural Experiment Station Bulletin* 830. Orono, ME: University of Maine.

Ogden, E. C., F. H. Steinmetz, and F. Hyland. 1948. Checklist of the vascular plants of Maine. *Bulletin of the Josselyn Botanical Society of Maine* 8. Orono, ME: Josselyn Botanical Society of Maine.

Portland Society of Natural History. 1892. The Portland catalogue of Maine plants. *Proceedings of the Portland Society of Natural History* 2: 41-72. [Revision of the 1868 Portland catalogue?]

## **Climate**

Baron, W. R., D. C. Smith, H. W. Borns Jr., J. Fastook, and A. E. Bridges. 1980. Long-time series temperature and precipitation records for Maine, 1808-1978. *Maine Life Sciences and Agricultural Experiment Station Bulletin* 771. Orono, ME: University of Maine.

Boone, R. B. 1997. Modeling the climate of Maine for use in broad-scale ecological analyses. *Northeastern Naturalist* 4:213–230.

Briggs, R. D., and R. C. Lemin Jr. 1992. Delineation of climatic regions in Maine. *Canadian Journal of Forest Research* 22(6): 801-811.

Lane, S. A. 2004. Orographic modulation of precipitation and rainfall rate in the mountains of western Maine [Abstract].
